

**ACECRETE WISHES A HAPPY NAVARATHRI**

"On this auspicious occasion, We pray that your Dedication and Hard work are blessed with Divine Rewards."

**News Desk**

We are excited to announce that, due to our remarkable growth over the last 12 years, we are expanding! In fact, we have opened a State-of-the-art new Manufacturing set up in Kundapura, Udipi District.

Yes, we have added one more feather to our crown. This is our 2nd Unit in Karnataka State and 4th among all. This unit spread over in 2 acres of land with built-up area of around 36,000 sft and consists of State of the Art Manufacturing set up with the Production capacity of 5000 kilo litre per month. This unit also consists of well-equipped R&D and QC laboratories to cater new, innovative and diversified range of products in Liquid segments like Primers, Emulsions, Coatings, Texture and Acrylic Putty, Admixtures, Tile & Stone care Products, Industrial Cleaning agents, etc. We have adopted Eco-friendly, green concepts to protect and preserve Mother Nature for sustainable future.

All of this could not have been possible without the cooperation and all out support of our valued business partners like you, across India. We want to express our sincere gratitude on your continued support and cooperation in this regards.

We hope that you will continue to stand by our side in this great endeavour of promoting new and innovative systems in Construction Chemicals Manufacturing sector.

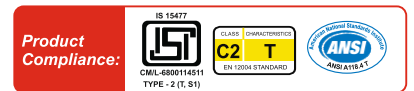

Our Adhesive Bags are Coming in a New Look

There was a time; only ceramic tiles were available in market and tiles were laying with cement-sand mix only. It was cheaper but so many problems were occurring during laying as well as after laying. Now the trend has changed and so many varieties of tiles entered to the market and all these tiles are very low or nil porous in nature so conventional tile laying system do not work. A new method of installing all variety of tiles on any kind of substrates has been developed by us in a more scientific method. The backbone to any tiling job is tile adhesive and with an unrivalled selection of professional tile adhesives, you can be sure to find one that will meet the needs of your specific tiling project.

ACEFIX 3 STAR - High Performance, Polymer Modified Tile Adhesive

Economy grade thinset adhesive for installation of ceramic tile and vitrified tile on various substrates. Its unique blend of cement, silica, polymers and additives gives excellent bonding between tile and substrates for most demanding installation requirements.

Pack Size : 5 kg, 20 kg, 30 kg & 40 kg (Grey Colour)

ACEFIX 5 STAR - High Performance, Polymer Modified Tile Adhesive

Premium grade thinset adhesive designed for installation of vitrified tile on various substrates. It offers high bond strength and excellent handling property for a wide variety of floor and wall tile application.

Pack Size : 20 kg, 30 kg, 40 kg (Grey Colour) & 20 kg, 40 kg (White Colour)

ACEFIX 7 STAR - High Performance, Polymer Modified Tile Adhesive

A superior quality polymer modified thinset adhesive with non-slump formula that eliminates slippage and gives excellent mechanical property. It is designed for fixing large format tiles and natural stones for most demanding internal floor and wall application. It can also be fortified with Acemix Superflex admix for high flexibility and bonding tile or stones on special grade plywood.

Pack Size : 20 kg, 40 kg (Grey Colour) & 20 kg, 40 kg (White Colour)

ACEFIX 9 STAR - Multi Purpose, Polymer Modified Tile Adhesive

It is an excellent quality highly polymer modified thinset adhesive with exceptional flexibility and high bond strength for tiling difficult surfaces such as glass tiles, porcelain, large format natural stones on dry substrates like calcium silicate, gypsum, particle board, etc. With its unique blend of polymers, additives, fine aggregates and premium white or grey cement offers ultimate in bond strength for the most demanding installation requirements for large format tile or stones to most difficult-to-bond substrates.

Pack Size : 20 kg, 40 kg (Grey Colour) & 20 kg, 40 kg (White Colour)

Shahabad Stone Depot

Mr. Kiran D.
(Proprietor)

We are very much satisfied with the products we have purchased from ACEBOND and also with the hospitality of group ACEBOND. We are really impressed by the timely support that company has been providing us. This has been greatly helping us to complete our work on time and ultimately achieving customer satisfaction. We have been guided so well about the products. We have been using Acefix 7 Star, Acepoxy Epoxy Grout, Aceproof Brush N' Bond. We got very good response & appreciation from our customer about the products quality & packing are amazing. It has been a pleasure doing business with ACEBOND. We look forward a long-term business relationship with ACEBOND. Thank you again!

Your's Sincerely

Kiran D.

Few of our Projects

Project : Don Bosco School, Bangalore
Product Used : Acefinish Wall Primer,
Aceproof Ener G' guard

Project : Hotel & Resort Ashoka Village, Solapur Road, Horti
Product Used : Aceblock Premium

Project : Surpur Function Hall, Indi
Product Used : Acefix 3 Star, Acefix 5 Star,
Acepoxy Epoxy Grout

Project : Javali Multi Speciality Hospital, Guledgudda
Product Used : Acefix 5 Star, Acefix 7 Star,
Acepoxy Epoxy Grout

Project : M. M. Mundewadi Construction, Sindagi
Product Used : Acefix 7 Star,
Acepoxy Epoxy Grout

Training Program

Training programs will equip our employees, masons, engineers and dealers with thorough understanding about our corporate culture, product knowledge and working policies to set an example of perfection, dedication and commitment to maintain ACECRETE ADHESIONS INDIA PRIVATE LIMITED, as one of top construction chemicals manufacturing company.

Training becomes vital for strengthening the abilities of each one of us to excel in sales, contributing to the company's growth and performance year on year. It is also important to note that we are technical solution providing company and not just selling products. We strongly believe that training program surely creates product awareness amongst all dealers, masons, applicators and end users and it directly or indirectly helps in increasing the profit ratio of every individuals involved in this training sessions.

Ace Column

PACE MEET Conducted at Wonderla Resort, Bangalore on 16th & 17th July 2024

Feel free to give your views, feed back, ideas and opinions related to this field. You may be the next face in our news letter.

Book-Post

To,

Our Vision
