ACEPROOF IWP

Integral Waterproofing/ Water reducing admixture

PRODUCT DESCRIPTION

Aceproof IWP is high performance super plasticizing and water reducing admixture prepared with blending of selected superior grade ingredients under supervision from experts. It is recommended to add 200ml-500ml dosage per 50kg cement.

ADVANTAGES

- › Increased durability and lowered permeability
- › Suitable for self-compacting concrete. Concrete can be poured and placed by gravity, avoiding the need of vibration
- › Increased early and ultimate compressive strength
- › Reduced shrinkage and creep

APPLICATIONS

- › High performance and durable concrete
- › Ready-mix concrete
- › Self-compacting concrete
- › High strength and precast concrete

STORAGE AND HANDLING

Store in cool and dry area in unopened original bag.

EASY MAINTENANCE

Properly installed product requires no special maintenance.

AVAILABLE PACK SIZE

Available in 200ml, 1 ltr, 5 ltr and 20 ltr packing.

SHELF LIFE

12 months if stored in cool and dry area in unopened container. Shelf life is calculated from the month of manufacturing of the product

RECOMMENDED DOSAGE LEVEL

A typical dosage in general recommendation is 200gm/50kg (1 bag) of cement.

MIXING PROCEDURE

Mix 200 gm of Aceproof IWP for 50 kg of cement. Add integral water proofing additive to the mixing drum under mixing but after addition of all other components such as cement, sand, aggregates, water, etc. Normal mixing speed and time is maintained. It can also be mixed with water and add.

CURING

Curing time is affected by ambient, surface temperatures and humidity.

CAUTION

- High temperature or exposed to sunlight will affect the product.
- Once container is opened, then finish it off without keeping for long time.
- This product contains polymers and chemical additives. Avoid eye contact or prolonged contact with skin.
- Wash thoroughly after handling. If eye contact occurs, flush with water for 15 minutes and consult a physician.
- Do not breathe the product directly; wear PPE whenever necessary.

CUSTOMER SERVICE

For any query related to product availability, cost, coverage, applicators, installation instructions, problems and trouble shooting, contact customer service executive on our  customer help line +91 963 260 5577 or write email to customer@acebond.in
